

POINT AU SAUBLE, Green Bay WI

Point au Sauble is protected as a natural area with only limited human use permitted.

The following is an historical list of birds seen on or from Point au Sauble compiled by students through the UW-GB Cofrin Center for Biodiversity.

Breeding species at Point au Sauble or in the Lower Green Bay area are marked with an asterisk. Some records, without year marks, represent birds that were once present on the bay, or have always been casual breeders in the area.
